

## Prompt Use Deposit Policy

In order to secure and ensure patient's prompt use and care of the valuable diagnostic equipment provided to you, we require a Credit or Debit Card to retain on file to be subject to a \$25/day late fee if the device is not returned to us in the condition in which it was received within 1 week of the mutually agreed upon date of service. We will not presume to use the same Form of Payment used to order the service as completed online, and will require this preferred form of securing the deposit be confirmed at the time of service coordination.

The maximum deposit fee assessed will be limited to \$500.00.

No charges will be incurred as long as the equipment is confirmed in transit by UPS® by the date specified upon service coordination.
